Limericks Working Group Report

RIPE ncc

- Incredible progress since last meeting
- Submissions can be submitted for review to

"limericks-wg@ripe.net"

- Review process has been made classless and supports aggregation
- Submission mechanism is now fully authorised (allows fuzzy limerick matching)

PLEASE SUBMIT YOUR LIMERICKS !!

(Still a Daniele Bovio type slide)

Right here in the EMPB neighbourhood,
routing is almost always good,
But when you think it does fail
don't directly send me your mail,
but use the PRtraceroute!
