RIPE NCC Engineering Department

RIPE-26

Carol Orange
RIPE NCC

Outline

- New Folks
- Achievements
- Plans

New Folks

- Chris Fletcher
  - Started November 1, 1996
  - 3 years PIPEX
    - Operations
    - Local IR work
  - Current activities
    - Operations
    - RIPE database

New Folks

- Rene' Wilhelm
  - Started November 11, 1996
  - PhD Computational Physics
  - Nikhef (~50 M)
    - Operations
  - Current activities
    - Operations
    - Planning network infrastructure 4/96

Achievements

- RIPE Database Documentation
  Thanks to Ambrose Magee!
- Web Site Restructuring + …
  Thanks to Lee Wilmot!
- Ticketing System Improvements
  Thanks to Mal Morris!
- Internal Operations Team Setup
  Thanks to Geert Jan, Rene' & Chris!

Short Term Plans

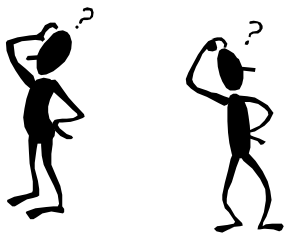
- Network Infrastructure
  - Long term design
  - Transition
- RIPE Database +RR
  - Complete documentation
  - Fix bugs & add key features
  - Structural Changes (Database WG)
  - RR tool support

RIPE NCC

RIPE Network Coordination Centre

Long Term Plans

- RIPE Database + RR
  - Authorisation in RR
  - Stronger authentication
  - DB consistency issues
  - RR tool support & development
  - IPv6 testbed support
- Network Performance Measurements

RIPE NCC


RIPE Network Coordination Centre
